

Cognizant[®]

HEALTHCARE CONFERENCE

Digital@Scale

Value, Transformation, Speed

The Cognizant Healthcare Conference brings our clients and partners together to discuss taking on healthcare challenges that matter, through the promise of technology.

May 20-23, 2019 (Monday - Thursday) | New Orleans Marriott

Cognizant[®]

HEALTHCARE CONFERENCE

Attend the 2019 Cognizant Healthcare Conference to discuss with your peers the strategies for becoming **Digital @ Scale**.

The journey starts by redefining your core business processes and engagement models across three pillars:

- Consumer-First Business Model
- Agile Operating Model
- Modern Technology Platform

Cognizant is helping our clients bring the promise of technology to life, realizing the potential within businesses to impact their people, their communities and their customers' lives. We are driven to actively take on healthcare challenges that matter and together with our clients, simplify healthcare.

Cognizant

Digital Business

Member and Patient Engagement

Deliver healthcare digital outcomes for clients working to reshape business models, modernize products and enhance customer experiences to drive growth.

Cognizant
